Dear Brianna, et al,

I request legal review of the draft below to send to Bradley in advance of the 8/9, 2 pm, meeting that Jackie has scheduled at their request.

Dear Bradley,

While we can meet if you would like, as you know the Navy is the lead on the Five Year Review process. The contact person for the Navy is Derek Robinson, 619-524-6026 or derek.j.robinson1@navy.mil.

For reference, attached is the most recent Five Year Review, which is also available online at the Navy, EPA, and DTSC site websites.

In addition, here are links to some more information from EPA's website about Five Year Reviews in general:

<https://www.epa.gov/superfund/writing-five-year-reviews-superfund-sites>

https://www.epa.gov/superfund/writing-five-year-reviews-superfund-sites#sub_anchor

Again, for more specific information about the upcoming Five Year Review for this site, please contact the Navy.

Lily

Hi Lily and David,

I am following up on our discussion Wednesday night in Bayview Hunters Point. We'd like to set up a meeting with you and whomever has more specific knowledge about the five year review process. I might invite a couple of other community members to join the meeting. Please let me know when we could meet...thanks,

Bradley
